

Recognizing Champions of  
**INDIAN INNOVATION**

## CII INDUSTRIAL INNOVATION AWARDS (13<sup>th</sup> edition)

Recognizing the Innovation Ecosystem in India

Apply at: [www.innovationawards.ciiinnovation.in](http://www.innovationawards.ciiinnovation.in)

### ABOUT THE AWARDS

The Industrial Innovation Awards aim at helping the Indian Industry in assimilating a structured innovation process through the Enterprise Innovation Maturity Framework, a model developed by CII. The Awards, while recognizing the champions of innovation among Indian industry, also enhance their competitiveness for the domestic as well as global markets.

CII Industrial Innovation Awards were instituted in 2014 to identify and celebrate innovative Indian enterprises across industry segments and sectors. The Awards give an opportunity to companies to shine and be known nationally and internationally for their innovative products and services.

Between 2014 and 2025, CII Industrial Innovation Awards have recognized more than 800+ firms as champions of innovation in their respective industry sectors. These Innovation Awards have also been instrumental in the growth of business opportunities for winning firms.

### MAIN APPLICATION — FOUR PILLARS

#### **Innovation Culture**

Innovation within an organization is a function of how people at all hierarchies collaborate and support the journey. This section captures the flow of innovation in spirit and as a function within the organization.

#### **Innovation Management**

Innovation is effective management of chaos to achieve tangible results. This section seeks to understand your expertise in navigating through such efforts.

#### **Inputs to Innovation**

Innovation needs tangible and intangible inputs to grow. This section captures details of investments of both kinds made by the organization.

#### **Results of Innovation**

The goal of any effort is a tangible, measurable outcome. This section assesses the results that have accrued to your organization from the innovation effort undertaken.

## ABOUT CII

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,700 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 318 national and regional sectoral industry bodies.

For 130 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with the Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialised services and strategic global linkages.

For 2025-26, CII has identified "Accelerating Competitiveness: Globalisation, Inclusivity, Sustainability, Trust" as its theme, prioritising five key pillars. With 70 offices including 12 Centres of Excellence in India, and 9 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, CII serves as a reference point for Indian industry and the international business community.
